How God Values Life!

God created us with the breath of life (Gen 2:7).

His Word instructs us in the way of life (Prov 10:17).

He is the author of life (Acts 3:15).

We are to walk in newness of life (Rom 6:3).

He is the sustainer of life (Heb 1:3).

He is the Word of life (I John 1:1).

We will be given the crown of life (Rev 2:10).

Our names are written in the book of Life (Rev 3:5).

We will eat from the tree of life (Rev 22:14).

We will drink from the fountain of life (Rev 22:17).

21 weeks, undergoing surgery to repair his back.

Samuel Armas

A photograph of a surgical procedure on a fetal torso. A hand in a yellow glove is performing an incision on the abdominal wall. The incision is a small, crescent-shaped cut, and a small, pink, fleshy structure is visible protruding from the opening. The surrounding tissue is red and moist. The background is dark and out of focus.
